Fw: (Cat Canyon Field, ERG Oper. Co.) Aquifer Exemption Supplemental Package	12/28/2012 09:55 AM

Item Body

fyi, per the previous "confirmation email" here are the attachments, the hard copies are here too and another emailed message indicates a correction to be noted as I pasted below. (Note: seems to be common in oilfield lingo that males and females are referred as a "landman" - not the first time I've seen it - on the Navajo and in Texas too).

Our Landman discovered a typo in our description of the area to be covered by the aquifer exemption. She typed in Section 24 when it should have been Section 25. See below:

Portions of SW/4 of the SW/4, NE/4 of the SW/4, E/2 of the NW/4, NE/4, E 2/3 of the SE/4 of Section 24, T9N/R33W

SW/4, SE/4 and portions of the NW/4 and the W/2 of the NE/4 of Section 25 T9N/R33W

Portions of the NE/4 of the NW/4, NE/4 and NW/4 of the SE/4 of Section 36

Portions of the SW/4 of Section 30

NE/4 of the NW/4 and portions of NW/4 of the NW/4, SE/4 of the NW/4, NE/4, SE/4 and E/2 of the SW/4 of Section 31, T9n/R32W

Portions of the NW/4 of the SW/4, SE/4 of the SW/4 and SW/4 of the SW/4 of Section 32, T9N/R32W

George

Hi George,

I hope you and your family had a wonderful Christmas! I understand that you'll be at the office today and tomorrow. I'm at home catching up on some work and I'm forwarding these additional materials that ERG has prepared to supplement what they have submitted so far as documenting their minor AE appliaiton. We also discussed these last week. They will be sending some hard copy maps to you as well. Please let me know if you have any questions. Thanks.

Jerry

Subject: Aquifer Exemption Supplemental Package

Hi Jerry:

Here is the aquifer exemption information you requested on 12/21/12. Please note that, while the hard copies of the drawings will be coming via FEDX on Thursday, the drawings in PDF should provide the detail you need to review the updated information. We have also included the project description in Word format.

Could you please send me George Robin's physical address so that we can overnight the drawings to him also? Thanks

John M. Deacon
